WE WANT YOU !!

**Do not throw this away !
We are not selling anything !**

Greetings from the Ohio State Alumni Club of Greater Cincinnati

Something that you own says that you are a true Buckeye. It may be the shirt or hat you're wearing, your bumper sticker, car decal or flag! Anyway, my keen eye spotted your obvious good taste and thought I'd say Hello!

The OSU Alumni Club of Greater Cincinnati has many activities throughout the year. We raise money to fund scholarships for local students, help out the community with philanthropic events, host a Summer golf outing, and have a beverage or two along the way.

You do not have to have graduated from or even attended OSU to join!
